Pulmonary Board Review Course

Program Description

The Oakstone Institute's *Pulmonary Board Review Course* is an in-depth, case-based review, and is designed to provide pulmonologists and pulmonologists in-training and critical care with current, relevant, and condensed information needed to pass certification (written and oral exams), recertification, and maintenance of certification exams. It is also valuable if you are simply looking for a great all-inclusive review of pulmonary medicine. The concise format means it will focus only on what is necessary to pass the exam and stay current. More than 35 leading edge presentations are delivered by faculty selected for their outstanding teaching methods and expertise in target 'must-know' areas.

Target Audience

Pulmonologists and pulmonologists in-training and critical care

Program Objectives

After viewing this activity, participants will be better able to:

- Discuss relevant scientific and clinical information to increase basic knowledge and clinical skills
- Apply strategies for studying for the ACCP Initial Certification and Maintenance of Certification (MOC) examinations
- Provide practicing pulmonologist a review and update

Study in your home or office and eliminate travel costs.

COURSE DIRECTOR

Allan R. Goldstein, MD
President of Pulmonary Associates of the Southeast, P.C. Teaching Staff Trinity/Baptist Medical Center Montclair, Birmingham, Alabama

Additional User Packages

Additional User Packages (AUPs) are available so that you and your colleagues can earn *AMA PRA Category 1 Credit™* from one set of DVDs, MP4s, CDs or MP3s at a fraction of the cost of the entire activity. Each AUP includes a comprehensive syllabus on CD-ROM and a CME credit package, but does not include DVDs, MP4s, CDs or MP3s. CME credit is obtained upon successful completion of the post activity assessment. The \$30 processing fee must accompany the completed application. AUPs may be purchased now or at any time after your initial order. Shipping and handling for AUPs is waived when they are ordered at the same time as the activity.

Return Policy & Guarantee

Our commitment at CMEinfo is to satisfy our customers with the highest-quality products and service. In order to fulfill this mission, we are happy to allow you 15 days from the time you receive the product to determine whether it meets your educational needs. If you are not satisfied, we will accept returns and provide refunds within that period. Each returned program is subject to a \$50 restocking fee, which includes inspection of the product. Shipping and handling charges are not refundable. All cancellations must be in writing, and no refunds will be provided after the 15-day window unless the product is proven to be defective. Credit cannot be granted on any educational activity that is returned/cancelled.

We guarantee your activity against defects in materials. Return any defective materials, and we will replace them free of charge.

Accreditation Statement Oakstone Medical Publishing is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Designation Statement Oakstone Medical Publishing designates this educational activity for 28 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Date of Original Release: July 1, 2009

Date of Credit Termination: June 30, 2012

CME credit is obtained upon successful completion of a post activity assessment. A \$30 processing fee must accompany the completed post activity assessment.
